

The 2018 Jungle Farm Vegetable Box

At The Jungle Farm, we are committed to bringing you the highest quality, fresh, local produce. We are proud to provide locally grown quality fruits & vegetables along with fun family activities & events for central Alberta residents. Our farm has been farmed by our family for over 120 years and we are happy to be able to share our bounty with you.

Pick up October 4 & 5, 2018

The number of boxes we can supply are limited. Order early to avoid your family missing out on quality, locally grown produce.

Your Vegetable Box will consist of freshly picked, healthy seasonal produce grown at The Jungle Farm or other members of Innisfail Growers. Generally you will receive traditional produce like strawberries, peas, beans, beets, corn, asparagus, pumpkins and other seasonal farm fresh produce. To keep it fun; we may surprise you with some unusual produce or preserves! We will include a recipe or other information to help you enjoy these products in our weekly e-newsletter.

We are going to continue giving you the choice of picking-your-own produce some weeks. You will be informed before you arrive, which product if any will be available for you to pick that week. Some weeks there will not be a pick-your-own option available. Always pick-your-own will be weather dependent (meaning if we have hail there will not be a pick-your-own option). This is a great way to increase the value of your vegetable box.

Throughout the season, we will include some bonus items when we have lots of supply at our farm. When we have an incredible growing season and our produce is bountiful, we are happy to share that bounty with you. We feel that this is your reward for making a commitment to our farm. Sometimes Mother Nature makes it challenging to grow vegetables in Alberta. From time to time, we face circumstances beyond our control, mainly the weather, which may make certain products limited or unavailable. Hail has been a major factor in our growing conditions. Because we also offer products from other farms in the Innisfail area, we will be able to supply your dollar value each week. Let us hope for an incredible growing year so that we will have an abundance of Jungle Farm produce.

No produce substitutions will be allowed. If you are unable to utilize all of the produce in your Vegetable Box, we encourage you to share with a neighbor or a friend. You will also have the option to leave it for another family to enjoy.

To make the program as green as possible, you will receive your Vegetable Box in a reusable shopping bag. We ask you to bring your bag each week to have it filled with your next week's produce.

All Vegetable Boxes will need to be picked up at The Jungle Farm. If you are unable to pick up your Vegetable Box, you may arrange to have it picked up for you. You understand that if your Vegetable Box is not picked up, the contents will be donated to charity. At no time will a refund or future credit be granted for unclaimed baskets. You agree to pay for your Vegetable Box in full at the time of registration.

Your Vegetable Box will be available at The Jungle Farm store on Thursdays or Fridays between 12 – 6 pm. All the produce will be picked fresh for you. If you would be willing to pick up additional vegetable boxes and bring them back to your community, please let us know..

As always, The Jungle Farm produce is 100% quality guaranteed and the Vegetable Box is no exception. Please let us know if you are unsatisfied and we will be happy to replace your produce.

Thank you for supporting our farm and for wanting to provide quality produce for your family.
